

Personal data and status

Name*

Group*

Research project's title*

Status (Master/PhD student/Postdoc)*

Since*

Expected date of graduation/end of contract*

For PhD students: Are you member of a graduate program? If yes, which program?

Publication list

Planned conference/workshop

Name of the workshop/conference*

Venue*

Date*

Anticipated costs of the journey (conference fees, travel costs, accommodation etc & total amount)*

In which form do you present at the conference (poster/talk)? *

Did you actively participate in other international workshops or conferences before? If yes, in how many and with a talk or a poster? *

Have you applied or will you apply for travel reimbursement elsewhere? If yes, where? *

Abstract of your poster/talk*

Is your poster/talk related to a recently published or submitted paper or is a paper in preparation? If yes, in which journal?*

Motivation why this conference/workshop is important for your work*

I agree to submit a short report (1/4 page) about my presentation to the CeNS office after my trip. The reports will be included in the CeNS annual report.

My supervisor has agreed with this application.
